## NOTES

**Assets are shown at insured value unless acquisition cost is known.**

**Asset valuation policy:** The value of assets listed above will be restated from 2023 in line with the JPAG Practitioner's Guide March 2022 (and future editions), so that (1) assets are valued at their acquisition value with no depreciation or appreciation, (2) a note of the notional market value of each asset at 31 March will be made by the RFO in the asset register at the year end, and (3) assets acquired at zero cost or which have no functional purpose or intrinsic resale value (such as community assets) will be included at a nominal £1 value.
